Hello Fiber Dimensions members, my name is Bobby Acker. I am your web designer.

I make your calendar and text updates monthly. You can send them any time of the month, please only send once a month per member. It will take approx. 1 week to see the updates from the time you send them. This service is included with your f/D membership.

The instructions for submitting images and text for the F/D website are as follows:

You can send me digital images or photographs to scan. They all should be clear, well lit and with minimal backgrounds. (Note: There is an extra fee for scanning images, see below.)

NOTE: I do not have a slide scanner and can not accept slides.

1. Digital images should be a maximum 900 pixels wide for horizontal images and at least 600 pixels high for vertical images. If they are bigger I can crop them and clean them up for you.
3. Any text should be sent by email. Im not a typist, so I just cut and paste what you have written, it is much more accurate that way.
4. Any pictures that I am required to scan (If you can not email them) will cost an additional \$15.00 per image. Please send a self addressed stamped envelope with your images, if you want them back.

EXISTING MEMBERS:

For existing member pages, each emailed image costs \$15. 00.

So if you send me 3 images, w/ captions it is \$45.00 for the whole order. (Note: \$45.00 minimum, less than 3 is still \$45.00). 6 Images w/ captions is \$90.00, Etc.

NEW MEMBERS OR EXISTING MEMBERS JUST ADDING WEB PRESENCE:

You have 2 options...

1. Add your own mini website, with bio, past show listings and full image gallery. = **\$200.00**
(This includes a gallery with up to 12 images. Additional images are \$15.00 each.)
2. Add a landing page with a bio and 6 images, from your name on the front page, that links to your existing non fiberDim website. (We also expect a link on your website back to www.fiberdimensions.com) = **\$100.00**

I can also offer great deals on hosting and design for your own personal website ie: www.yourname.com
Hosting is only \$7.99 per month.

AND If you currently have a website and you are paying more than \$7.99 a month to host it, YOU ARE PAYING TOO MUCH. Contact me and I will help you get a cheaper hosting account.

Thanks Bobby Acker
